

INSTRUCTIONS FOR POSTERS

Posters must be in A1, portrait format. Do not prepare your poster in landscape format. Posters larger than A1 or those in landscape format WILL NOT be displayed. Include a photo of the presenter on the left upper side of the poster to help delegates identify the presenter, as well as your business postal and email addresses. Basic guidelines: Introduction, Material and Methods, Results, Discussion, Conclusions, References. Follow the display program for posters to know exactly the day and time for your presentation (to be announced on 5th of October). Stay close to your poster during breaks to answer any questions. Remove your poster after the indicated period for poster presentations.
